[QUESTIONS 16-18 HELD FOR INTERNAL USE]

TRANSITION TEXT: IF HAS MORE THAN ONE CHILD: For the following questions, you may consider any and all children in your household when answering the questions.
**PRIORITIES AND FUNDING**

**ASK ALL:**

19. [QFocusTradeoff] Even if neither one perfectly describes your views, which of the following statements do you agree with more? [RANDOMIZE 1-2]
   1. Schools should be focused on trying to get back to the way things were before the COVID-19 crisis as soon as it is safe to do so 40%
   2. Schools should be focused on rethinking how we educate students, coming up with new ways to teach children moving forward as a result of the COVID-19 crisis 53%
   3. Unsure 6%

20. [QStatewideTest] There has been some debate about whether or not schools should administer statewide academic tests this school year. Even if neither one perfectly describes your views, which of the following statements do you agree with more? [RANDOMIZE 1-2]
   1. Even though we are in challenging times, we should continue to assess how well students are learning using statewide tests so that we can compare results to previous years and schools can identify areas students may be falling behind or need support. 56%
   2. Since we are in challenging times, we should take a break from statewide testing this year so that teachers and students have one less thing to worry about. 37%
   3. Unsure 7%

21. [QPoliceTradeoff] Even if neither one perfectly describes your views, which of the following statements do you agree with more? [RANDOMIZE 1-2]
   1. In disciplinary situations, schools should rely less on school police officers and move toward providing social and emotional supports to address student needs with staff like counselors, psychologists, and social workers 55%
   2. In disciplinary situations, schools should continue to rely on school police officers in the way they do now 36%
   3. Unsure 9%
22. [QFundAware] As part of stimulus packages, public schools are receiving additional federal funding to help address challenges related to the COVID-19 pandemic. How much have you heard about this additional funding for schools and the ways it can be used?

- No: 59%
- Unsure: 13%

24. [QFundTradeOff] Even if neither one perfectly describes your views, which of the following statements do you agree with more? [RANDOMIZE 1-2]
- 1. The additional federal funding opens the door to making bold changes in public education; we should take advantage of this opportunity: 52%
- 2. Now is not the time to make major changes in public education; we should focus on funding existing programs and getting things back to normal: 39%
- 3. Unsure: 9%
POLICY QUESTIONS

ASK ALL:

25. [QPubSchoolAccess] Would you support or oppose changing laws to establish a right to quality public education as a civil right in the same way that the right to vote is, meaning the government would be obligated by law to provide every child access to a quality education, and that the government could be challenged in court if that right is infringed upon?
